

## Schedule of Crew Trainings offered at SEA: Winter 2024

SEA is accepting registrations for STCW training courses, open to mariners, aspiring mariners and outdoor educators interested in advancing their knowledge and skills. These USCG approved courses are being offered to SEA Faculty, Staff and Crew as well as other interested Mariners and Outdoor

If you are interested in registering or have any questions about these course offerings, please contact us at [crewtraining@sea.edu](mailto:crewtraining@sea.edu).

### Basic Training (previously known as BST):

Basic Training consists of four modules and is designed to satisfy the basic training and familiarization requirements of STCW.

These modules include:

- a. 12-Hour Personal Survival Techniques
- b. Fire Prevention and Fire Fighting
- c. 4-Hour Personal Safety & Social Responsibilities
- d. 8 Hour First Aid & CPR

*BT modules are offered at SEA, except for Fire Prevention and Fire Fighting.*

**Class Dates:**

December 2 – 6, 2024

**Course Tuition:**

\$1,500

### Leadership and Managerial Skills (LMS):

Using lectures, discussions of case studies, and practical exercises in hypothetical situations, the Leadership and Managerial Skills course will cover the principles of leadership and management in a shipboard environment. Open for mariners seeking an STCW certificate as master or mate on ocean or near-coastal vessels, this is a USCG approved course as per the guidance in Section A-II/1 and A-III/2 of the STCW code.

**Class Dates:**

December 2 – 6, 2024

**Course Tuition:**

\$1,000

### Bridge Resource Management (BRM):

The Bridge Resource Management course aims to provide watch officers with a practical understanding of the bridge resource management and their integration into the procedures for maintaining a safe navigational watch, as per the guidance outlined in Section B-VIII/2 of the STCW code.

**Class Dates:**

December 8 – 10, 2024

**Course Tuition:**

\$600

### Wilderness First Responder- Recertification Course (WFR- Recert):

The WMA Open Recertification course is open to graduates of all wilderness medical training courses of 64 hours or longer with a current Wilderness First Responder certification. Successful graduates of this course will receive Wilderness Medical Associates' Wilderness First Responder, re-certification.

**Class Dates:**

December 8 – 10, 2024

**Course Tuition:**

\$500

### Wilderness First Responder (WFR):

The Wilderness First Responder program is the ideal medical training for leaders in remote areas including outdoor educators, guides, military, professional search and rescue teams, researchers, and those involved in the marine environment disaster relief. The curriculum is comprehensive and practical. It includes the essential principles and skills required to assess and manage medical problems in isolated and extreme environments for days and weeks if necessary. Certification is from Wilderness Medical Associates (WMA).

**Class Dates:**

December 11 – 17, 2024

**Course Tuition:**

\$1,000

### Registration and Logistics:

To register for any courses please contact the SEA Marine Department at [crewtraining@sea.edu](mailto:crewtraining@sea.edu)

**Proof of full vaccination for COVID-19 is required for any in-person training.**

**100% attendance is required for USCG approved courses to be eligible for a course completion certificate**

- The classes are held on the SEA campus in Woods Hole, MA.
- **Housing is available** in dormitory style cottages on campus for a maintenance fee of \$25 per course.
- **Food provided:** Lunch, a light breakfast, morning and afternoon snack are provided on days class is held on the SEA campus (firefighting excluded). Dinner is not provided.

### \*Discounts Offered:

**SEA is offering a 10% discount on course tuition to:**

- Crewmembers of Tall Ships America member vessels
  - Tall Ships America members
  - U.S. Sailing Association members
  - SEA Semester Alums

\*Current SEA Faculty, Crew and Staff should inquire about tuition assistance for these trainings

### Remote Course Offerings (at your own pace):

Interested in obtaining an AB, Mate, or Master license at super discount prices? Or upgrading an existing license to get that mate promotion? You will go to the [Dagobah System](http://www.practicalnavigator.org). There you will learn from Capt. Chris, the Navigation Master who instructed most of us. 75% discount for Tall Ships America Members, and 90% discount for those on SEA Long Term Contract. Go to <http://www.practicalnavigator.org/tall-ship-sailors> to learn more, or contact [chris@practicalnavigator.org](mailto:chris@practicalnavigator.org) for your discount codes. All courses include self-paced instruction, online testing and license mentoring.
